For your benefit, please read through the following guidelines and please contact us at (303) 405-1100 if there is any way we can assist you in your coverage of the Nuggets this season.

BALL ARENA

Ball Arena is located just off Interstate 25 at the Speer (South) or Auraria Parkway exits. The mailing address is: 1000 Chopper Circle, Denver, Colorado 80204. Ball Arena is approximately 35 minutes from Denver International Airport.

PRESS CREDENTIALS

Application for all credentials must be made through the Nuggets Media Relations Office. Requests for single game media credentials must be made at least 24 hours in advance and on Fridays for Sunday games. **NO DAY OF GAME CREDENTIAL REQUESTS WILL BE HONORED, WITH NO EXCEPTIONS.** Radio stations, television stations, magazines and weekly newspapers will be accommodated on a game-by-game, space-available basis. When applying for the first time, requests from magazines and weekly newspapers must be in writing on company letterhead and must include copies of the publications (if applicable). Those with season credentials who will cover specific games must call the Nuggets Media Relations Office to arrange for seating. Credentials must be visible to security staff at all times. The Nuggets reserve the right to revoke credentials at any time for any reason.

PRESS SEATING

Press seating at Ball Arena is located in the following areas: courtside, above the vomitory between sections 130 and 132, at the top of section 130 and in the press box. A media-dedicated elevator can be accessed across from the doors to the Nuggets locker room. TV broadcasters will be seated courtside. Beat writers and visiting media will be seated above the vomitory. The home and away radio broadcast positions are located in section 202/260 and can be accessed via the club level. There will be a Nuggets media relations representative on hand to assist radio broadcasters at this position. Wireless internet is available throughout the arena.

PRESS PARKING

Press parking will be in the Tacoma Lot on the East side of Ball Arena. From Speer, enter Ball Arena at Chopper Circle. Corolla Lot will be the second lot straight ahead. From Auraria Parkway, enter Ball Arena at 9th Street. Follow the circular drive to the right and proceed to the East side of the arena. Turn left just past the Land Cruiser Lot (previously Valet Lot). Tacoma Lot will be straight ahead.

PRESS ENTRANCE

The press entrance is located inside the loading dock on the East side of the arena. From the Tacoma Lot, walk straight across the street and head towards the entrance located near the TV trucks. There is a set of stairs leading to a door entering the dock. Media Will Call will be set up inside the press entrance. This is also the entrance for practices.

PRESS DINING ROOM

The press dining room is located in the press lounge. Food and beverages will be available to the working media two hours prior to the game through tip-off. The dining room is open for soft drinks at halftime.

WORKING PRESS ROOM

The working press room is located at court level on the West side of the arena. The working press room is equipped with wireless internet, electrical outlets and a television for media use only. We must limit access to the working press room to media members filing stories. It is impossible to accommodate family, friends, and guests. The Nuggets will rely on media members to maintain a courteous, professional atmosphere in the working press room.

PHOTOGRAPHERS

Credentialed photographers may shoot from the baselines of the Ball Arena floor in designated areas only. Photographers may not block courtside signage at any time. Freelance photographers will not be granted credentials unless they are on specific assignment from a magazine or newspaper and there is space available. The Nuggets require a letter of request from an editor to verify any credential applications by freelancers. The Nuggets ask that photographers please be considerate of season ticket holders behind them.

STATISTICAL SERVICES

Game notes and other pertinent statistical information will be in the working press room 90 minutes before tipoff. Play-by-play, quarter, halftime and final boxscore sheets will be distributed in all press areas. Out of town scores will be delivered to broadcast crews on press row and will be displayed on scoreboards. Quote sheets will be available as soon as possible following the game in the press room.

INTERVIEWS

The visiting team's head coach will generally conduct post-game interviews outside the visitors' locker room or in the visiting locker room's coaches lounge. Nuggets Head Coach Michael Malone will be available outside the locker room 10 minutes following the game. Interviews with players are possible up to 45 minutes prior to the game and the locker room will be open 15 minutes after the game. Again, the Nuggets will rely on the media to maintain a courteous, professional atmosphere in the locker rooms at all times. **NO AUTOGRAPHS ARE ALLOWED DURING INTERVIEW PERIODS.** Failure to comply with these rules may result in the forfeiture of your credential.

PRACTICE/SHOOTAROUNDS

Nuggets practices this season will generally begin at 11 a.m. at the team's Practice Facility within Ball Arena. The athletic honors continued with his induction into five total hall of fames, including his induction into the San Diego State Aztec Hall of Fame and the California Beach Volleyball Hall of Fame in 1994.

In the offseason, he resides in Denver, with his wife and two daughters.

Scott Hastings

Television Analyst

The 2024-25 season marks Scott Hastings' 42nd year associated with the NBA, either as a player or a broadcaster. He has been covering NBA games as a member of the media since 1993, including 26 seasons with Denver and four seasons with TNT. This will be his 19th straight season providing insight to Nuggets telecasts.

An 11-year veteran of the NBA, Hastings was a member of the 1989 league champion Detroit Pistons and played for Denver from '91-93. A four-year letterman at Arkansas, Hastings was named Honorable Mention All-American as a senior in '82 and left as the school's second all-time leading scorer behind Sidney Moncrief with 1,779 career points (now ranks fourth all-time).

He was also inducted into the Southwest Conference Hall of Fame as well as the Kansas Sports Hall of Fame, University of Arkansas Sports Hall of Fame and the state of Arkansas Sports Hall of Fame. Originally drafted by the New York Knicks with the 29th selection of the 1982 NBA Draft, Hastings also played professionally for Atlanta and Miami during his career.

One of the most well-known media personalities in the Denver market, Hastings has co-hosted a daily sports talk radio show for the last 24 years and served as the Denver Broncos radio color analyst for nine seasons. Hastings welcomed his daughter Eleanor Grace to the world in 2014.

Vic Lombardi

Vic Lombardi joined Altitude on January 1, 2016 as the Studio Host for the Pre-Game, Halftime, and Post-Game coverage of the Denver Nuggets games.

Lombardi previously worked as a television & radio host in South Bend, Austin, Phoenix and most recently the Sports Anchor for Denver CBS4. Lombardi comes to Altitude Sports with more than 26 years of experience in the sports industry and is a 30-time Emmy award winner, 16 for Best Sports Anchor. He is one of the most respected sports personalities in the country, which the number of awards attest.

He attended the University of Colorado and graduated from the University of Notre Dame in 1991. He resides in Denver, Colorado with his wife, Terri and three kids.

Katy Winge

Denver Nuggets Reporter and Host

Katy Winge is in her seventh season as an analyst, reporter, and host for Altitude TV and the Denver Nuggets. Before that she was the in-arena reporter and an associate producer at the Ball Arena, hosting the pregame and halftime show Courtside Countdown.

Winge played Division I college basketball on a scholarship at Illinois State where she was a three-year captain and a four-year letter winner. She then went on to get her Master's in Journalism at Northwestern in Chicago.

Previously, Winge hosted the nationally syndicated Fantasy Football Hour. Prior to moving to Denver, she worked as a sideline reporter and host for Comcast SportsNet Chicago and FOX Sports Wisconsin. She also did analyst work for Big Ten Network. In addition, she worked as a local sports anchor, producer, and reporter at KTTC/FOX 47 in Rochester, MN.

Currently she also works as a college basketball analyst and is an adjunct professor at Metropolitan State University of Denver.

Chris Dempsey

Denver Nuggets Reporter and Host

Christopher Dempsey is a Colorado native, born in Boulder, grew up in Montbello, and attended Montbello High School before moving on to majoring in journalism at the University of Colorado at Boulder. His career of over two decades of sports journalism began in Boulder, covering preps, all manner of sports at CU, and the Denver Broncos for the Daily Camera newspaper. In 2003, Dempsey moved on to the Denver Post, where he covered the Nuggets, college football at both CU and CSU, the Colorado Rapids and national college basketball. As a 20-something he was once told by a veteran in the business that eventually a life of immersing himself in sports would become stale, that he would look for outlets. Dempsey never believed it. And to this day he counts himself lucky to be working in a world (sports), covering a sport (basketball) and being around a hometown team (the Nuggets) that energizes him every single day.

Bill Hanzlik

Television Anchor and Reporter

Bill Hanzlik, who spent 10 years as a player and coach in the Denver Nuggets organization, is in his 12th season as Nuggets anchor and reporter for the pre-game and post-game shows on Altitude Sports.

Considered one of the most beloved players in Nuggets franchise history, Hanzlik was with Denver from 1982-91 and helped the Nuggets reach the NBA Playoffs eight times. During his career, the Nuggets posted a cumulative record of 360-296 (.549) and captured two Midwest Division titles (1984-85 and 1987-88). Originally the 20th overall selection in the 1980 NBA Draft (by Seattle), Hanzlik played two seasons for the SuperSonics before he was traded to Denver.

In 1991, Hanzlik moved on to the coaching ranks, becoming an assistant for Allan Bristow with the Charlotte Hornets. He was an assistant with the Hornets for five seasons and later moved on to coach with Lenny Wilkens and the Atlanta Hawks organization in 1996. On May 29, 1997, Hanzlik was named head coach of the Nuggets and held that position for the 1997-98 season.

Hanzlik now directs the Gold Crown Foundation, a non-profit corporation dedicated to improving the lives of Colorado's children through athletics and education. He founded the organization in 1986 with the help of Colorado business leader Ray Baker. Now a full-time CEO of the Foundation, Hanzlik has overseen the growth of the Foundation¹s athletic programs from one-week summer girls' basketball camp with an enrollment of 150 to its current 20,000 participants, ages 9-18 in numerous sports programs.

Hanzlik played four seasons at the University of Notre Dame (1976-80) and helped lead the Irish to the NCAA Final Four. He was also a member of the 1980 U.S. Men's Olympic Basketball Team that did not compete in the 1980 Moscow Olympics because of a political boycott. He was elected to the Colorado Sports Hall of Fame in 2003.

Bill and his wife, Maribeth, reside in Greenwood Village. They have four children.

Jason Kosmicki

Radio Play-By-Play Announcer

Kosmicki enters his 32nd season with Kroenke Sports Enterprises. After serving numerous roles in the radio department, Kosmicki has been the voice of the Denver Nuggets for the last 17 years.

"Koz" moved back to the states at age 11 after spending seven years living in Germany. He relearned the English language and eventually attended the University of Nebraska at Kearney.

While in college, he served as Sports Director of the campus radio station and called playby-play action for "just about any sport imaginable," including football, basketball, baseball, wrestling, volleyball, softball, swimming and even the Sigma Tau Gamma fight night (boxing).

His athletic career peaked in high school where he was a four-year letterman in football and basketball and two years in golf. But as Koz is quick to point out: "It's not that impressive; we had 60 kids in our high school."

After college, Koz landed radio stints in Eau Claire, WI (where on his first week he did play-by-play for a curling tournament), Minneapolis, Washington D.C., Houston, Corpus Christi and Colorado Springs before making his way to the Denver area.

In his free time, Koz enjoys golfing and fishing at Lake McConaughy. The Nebraska native follows his home state Cornhuskers and resides in Indian Hills. His daughter Jacque graduated CU Denver and recently got married.

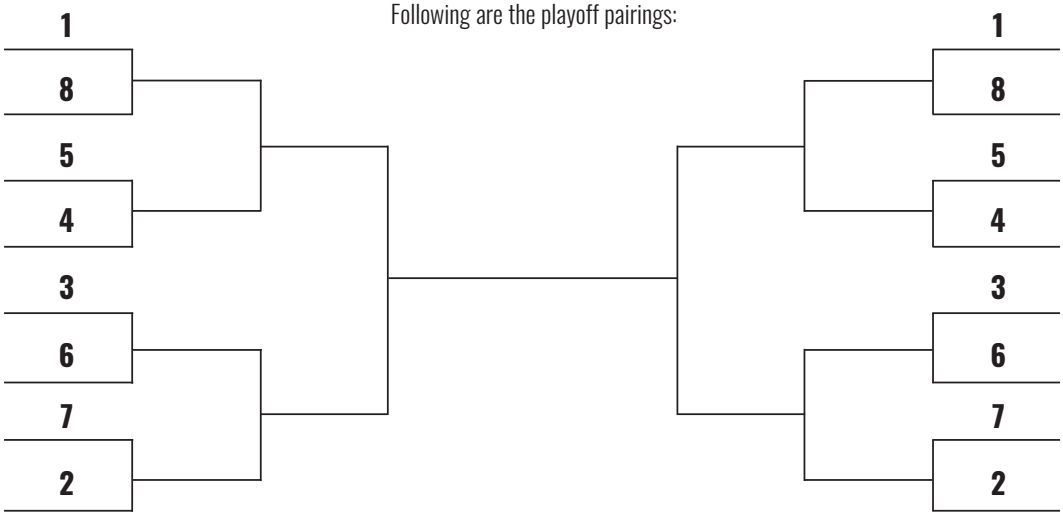
NBA PLAYOFF FORMAT

Western Conference **Eastern Conference**

Following are the playoff pairings:



1. Sixteen teams qualify for the playoffs: Eight teams from each conference, ranked 1-8 based on overall record.
2. All rounds of the playoffs shall be a best-of-seven series including the NBA Finals. All teams will participate in the first round; there are no byes.

Achilles Tendon – The thick tendon at the distal portion of the calf that connects the gastrocnemius (calf) muscle to the heel.

Aerobic – Exercise in which energy needed is supplied by oxygen.

Anaerobic – Exercise without the use of oxygen as an energy source; short bursts of vigorous exercise.

Anterior Cruciate Ligament (ACL) – A primary stabilizing ligament within the center of the knee joint that prevents hyperextension and excessive rotation of the joint.

Anti-inflammatory – Any agent that prevents inflammation, such as aspirin or ibuprofen.

Arthroscopy – A surgical examination of the internal structures of a joint by viewing through an arthroscope. An arthroscopic procedure can be used to remove or repair damaged tissue or as a diagnostic procedure in order to inspect the extent of the damage or confirm diagnosis.

Atrophy – To shrivel or shrink from disuse, as in muscular atrophy.

Biceps – Muscles on the front of the upper arm responsible for flexing the elbow and shoulder.

Bone Scan – An imaging procedure in which a radioactive-labeled substance is injected into the body to determine the status of a bone injury. A bone scan is particularly useful in diagnosing a stress fracture.

Bruise – A discoloration of the skin as a result of an extravasation of blood into the underlying tissues.

Bursa – A fluid-filled sac located in areas of the body where friction is likely to occur, for example between a tendon and the underlying bone.

Cartilage – Smooth, slippery substance preventing the ends of bones from rubbing together.

Chondromalacia – Roughening of the articular cartilage. Best known for roughening of the on the underside of the patella, which can occur in any patellofemoral injury.

Concussion – Jarring injury of the brain.

Contusion – A tissue injury caused by a direct blow.

Cyst – Abnormal sac containing liquid or semisolid matter.

Dehydration – State resulting from loss of body fluid where fluid output (sweating) exceeds fluid intake.

Dislocation – Complete displacement of joint surfaces.

Fracture – Breach in continuity of the bone. Types of fractures include simple, compound, comminuted, greenstick, incomplete, impacted, longitudinal, oblique, stress and transverse.

Groin Strain – Strain to the muscles that work to adduct the leg.

Hamstring – Group of muscles that run from the buttocks to the knee along the back of the thigh. The hamstring muscles work to flex the knee and extend the hip and are often injured as a result of improper conditioning or lack of flexibility.

Hip Pointer – Contusion to the iliac crest.

Hyperextension – Extreme extension of a limb or body part.

Inflammation – The body's natural response to injury in which the involved site may display various degrees of pain, swelling, heat, redness, and/or loss of function.

Magnetic Resonance Imaging – Imaging procedure in which a radio frequency pulse causes certain electrical elements of the injured tissue to react. MRI does not require radiation and is very useful in the diagnosis of soft tissue, disc, and meniscus injuries.

Medial Collateral Ligament (MCL) – Ligament on the medial aspect of the knee that connects the femur to the tibia and provides medial stability to the joint.

Meniscus – Crescent-shaped cartilage located within the knee that works to absorb weight and provide stability.

Metatarsals – Five long bones of the foot, running from the ankle to the toes.

Microfracture Surgery – An orthopedic surgical technique that can help restore knee cartilage by creating tiny fractures in the adjacent bones, causing new cartilage to develop. It can be used to treat both degenerative knee problems as well as cartilage injuries, and has gained a high profile in the sports world in recent years.

Patella – The kneecap. The patella functions to protect the distal end of the femur as well as to increase the mechanical advantage and force-generating capacities of the quadriceps muscle group.

Patella Tendinitis – Inflammation of the patellar ligament; also known as **jumper's knee.**

Plantar Fascia – The tight band of connective tissue in the arch of the foot.

Plantar Fasciitis – Inflammation of the plantar fascia; associated with overuse or acute foot injuries.

Posterior Cruciate Ligament (PCL) – A primary stabilizing ligament of the knee that prevents backward displacement of the tibia.

Quadricep Muscles – A group of four muscles in the thigh that works to extend the knee.

Reconstruction – Surgical rebuilding of a joint using natural, artificial or transplanted materials.

Rotator Cuff – Group of four shoulder muscles responsible for moving the shoulder in internal and external rotation and assisting with overall shoulder stability.

Shin Splint – A catch-all syndrome describing pain in the shin that is not a fracture or tumor and cannot be defined otherwise.

Spasm – A sudden, violent and involuntary muscle contraction.

Sprain – A twisting, stretching, pulling or tearing of a ligament.

1st Degree: A stretching but no tearing of a ligament. Athlete may either return to play immediately or will miss very little activity.

2nd Degree: A partial tear of a ligament. Bracing may be required. Athlete may miss one to four weeks.

3rd Degree: A complete tear of the ligament. Depending upon the ligament involved, bracing or even surgery may be required. Athlete may be out of activity from three weeks to one year or longer.

Sternum – The breast bone.

Strain – The stretching, pulling or twisting of a muscle or tendon.

1st Degree: A stretching but no tear of the muscle or tendon. Athlete may either return to play immediately or will usually miss very little activity.

2nd Degree: A partial tear of a muscle or tendon. Athlete may miss one to four weeks.

3rd Degree: A complete tear of a muscle or tendon. Depending upon the muscle or tendon involved surgery may be required. Athlete may be out of activity from three weeks to one year or longer.

Stress Fracture – A hairline break in a bone usually caused
by overuse.

Subluxation – Partial dislocation of a joint. The term usually implies that the joint can be returned to its normal position
without formal reduction.

Tendinitis – Inflammation of the tendon and/or tendon sheath, usually caused by chronic overuse.

Triceps – Muscle on the back of the upper arm that is responsible for extending the elbow and shoulder.

Ultrasound – An electrical modality that transmits sound waves through an applicator into soft tissue in order to heat the area.

40 | Byron Beck

Jersey Number Retired: December 16, 1977

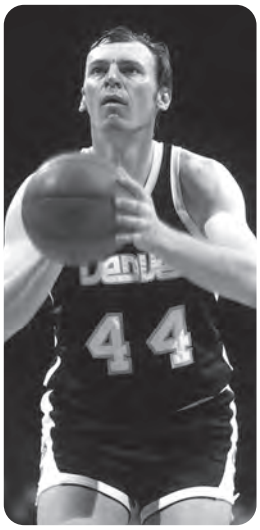
Byron Beck's name can be found next to the word "first" in several places in the Nuggets history books. He was the first player signed by the original Denver Rockets franchise in 1967 and fittingly, his was the first number retired by the Nuggets.

Beck, who played for the Rockets/Nuggets from 1967-77, was one of the best pure shooters in ABA history, and his sweeping hook shot was a team trademark for its first 10 years.

The two-time ABA All-Star (1969; '76) never averaged more than 14.5 points per game in a season; nonetheless, he stands in sixth place on the Nuggets all-time scoring list (8,603) - a true reflection of his consistency. In addition, he ranks second in rebounds (5,261) and third in games played (747).

Beck always stepped up his play at crunch time. In the 1973 ABA Playoffs, Beck averaged nearly 20 points per night. In 1976, he helped lead the Nuggets to the ABA Finals. Beck appeared in 66 playoff games with Denver, posting a 12.8 scoring average - more than a point per game higher than his career regular season average.

The former University of Denver star was a fan-favorite and his work in the community earned him considerable respect off the court. Beck was the leading Nugget in personal appearances and he was the Denver sports co-chairman for Labor Day's Muscular Dystrophy Telethon.



44 | Dan Issel

Jersey Number Retired: April 5, 1985

The name Dan Issel became synonymous with the Denver Nuggets during his playing days from 1975-85 and it still is today. Nicknamed "The Horse", Issel is one of the most popular sports figures in Colorado history.

Issel never failed to respond when duty called and was one of the most durable players in pro basketball history. In his 15-year pro career, Issel played in 1,218 of 1,242 possible games.

When he retired in 1985, he left as the Nuggets all-time leading scorer and rebounder after notching 16,589 points and 6,630 boards. He still ranks among the top five in nearly every statistical category on the Nuggets all-time list.

One of the most prolific scorers in basketball history, Issel ranks eighth on the combined ABA/NBA all-time scoring list with 27,482 points. He trails only Kareem Abdul-Jabbar, Karl Malone, Michael Jordan, Wilt Chamberlain, Julius Erving, Moses Malone and Shaquille O'Neal.

There was more to Issel than his on the court prowess, however. He was also a leader in the community. In 1985, the Professional Basketball Writers Association of America recognized that and presented Issel with the J. Walter Kennedy Award for community service.

In 1992, Issel returned to the Nuggets, this time as their head coach. He orchestrated a tremendous turnaround, taking a club that had won just 44 games in two years prior to his arrival and leading them to the NBA Playoffs in just two seasons. He re-joined the franchise in 1998 as General Manager and subsequently served as President and Head Coach until 2001.

"The Horse", a 1976 ABA All-Star and a '77 NBA All-Star, became the first Nugget to be elected into the Basketball Hall of Fame in 1993.

33 | David Thompson

Jersey Number Retired: November 7, 1992

Before there was Michael Jordan, there was David Thompson. Nicknamed "Skywalker", Thompson dazzled Nuggets fans from 1975-82 with his incredible leaping ability, crowd-pleasing dunks and seemingly effortless scoring ability.

In his seven seasons, Thompson racked up 11,992 points - good for fourth on Denver's all-time scoring list. In addition, he still ranks in the top five in nearly every major scoring category in Nuggets history.

After the Nuggets acquired his draft rights in 1975, Thompson made an immediate impact. In his first year, he captured ABA and pro basketball Rookie of the Year honors after averaging 26.0 points per game. He was also named MVP of the 1976 ABA All-Star Game.

Nothing changed when the Nuggets entered the NBA. "DT" was named to the All-NBA First Team in 1977 and '78 and he made three-straight NBA All-Star appearances, earning MVP honors in the 1979 contest. He is the only player to ever be named MVP in both an ABA and NBA All-Star game.

On April 9, 1978, the 6'4" guard poured in a career-high 73 points against the Detroit Pistons. The 73 points are a Nugget single-game record and are tied for the third-most ever scored by an individual in a non-overtime game in NBA history.

Thompson was traded to Seattle in the summer of 1982, ending his illustrious seven-year career in Denver. DT was inducted into the Basketball Hall of Fame in 1996.

2 | Alex English

Jersey Number Retired: March 2, 1993

Alex English's career can best be summed up with one word: consistency. In 10 of his 11 seasons with the Nuggets (1979-90), English averaged better than 21 points per game. In eight of those 11 years, he scored more than 25 per game.

When he departed as a free agent in 1990, English left as the Nuggets all-time leading scorer - having notched 21,645 points - and his career average of 25.9 ppg is the best in Nuggets history. He also ranks 13th on the NBA's all-time scoring list.

The eight-time NBA All-Star is also the Nuggets career leader in games played, minutes played, field goals made, field goals attempted and assists. Additionally, he ranks third in steals, fourth in rebounds and fifth in blocked shots.

In each of his first 10 seasons with the Nuggets, English finished among the top 10 in the NBA in scoring. In 1982-83, he became the first and only Nugget to lead the league in scoring with a 28.4 average. English also holds the distinction of leading the NBA in scoring during the decade of the '80s, after compiling 19,682 points.

A second-team All-NBA member in 1982, '83 and '86, English guided the Nuggets to Division championships in 1984-85 and '87-88.

Also a leader in the community, English was presented the J. Walter Kennedy Citizenship Award for community service in 1988. In 1985, he convinced NBA players to donate their shares from the All-Star game to Interaction Ethiopia, a relief fund.

He was inducted into the Basketball Hall of Fame in 1997.

432 | Doug Moe

Nuggets Total Wins Retired: Nov. 7, 2002

Doug Moe was the face and personality of the Nuggets throughout the '80s - one of the most successful eras in club history - serving as the team's charismatic head coach from 1980-90.

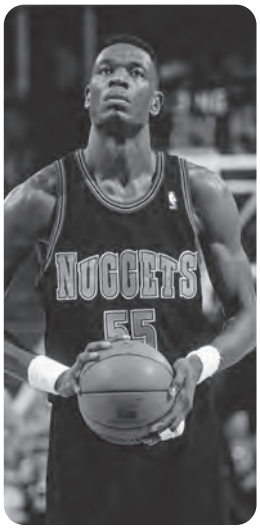
On Dec. 18, 1980, Moe assumed head coaching duties following the departure of Donnie Walsh. Over the next 10 years, he racked up 432 regular season wins and 24 postseason victories - both team records. He guided the Nuggets to nine-straight playoff appearances, including a trip to the 1985 Western Conference Finals, and two Midwest Division titles in '84-85 and '87-88. In '87-88, the Nuggets won a franchise-record 54 games, earning Moe NBA Coach of the Year honors.

Moe's "passing game" offense was one of the most feared in the NBA during the '80s. The Nuggets averaged no fewer than 114.6 ppg in each of his years and averaged better than 120.0 ppg for five-straight seasons ('80-85). In fact, the Nuggets led the NBA in scoring in six of Moe's 10 years in Denver.

Moe's clubs produced 13 All-Star selections and three of his players, David Thompson, Dan Issel and Alex English, have been inducted into the Basketball Hall of Fame.

Affectionately known as the "Big Stiff", Moe began his career with the Nuggets in the ABA as an assistant coach on Larry Brown's staff from '74-76. During those two seasons, the Nuggets posted a 125-43 record and advanced to the 1976 ABA Finals.

He also served as head coach of the San Antonio Spurs ('76-80) and Philadelphia 76ers ('92-93) and compiled 628 career wins, the 20th-most in NBA history.



55 | Dikembe Mutombo

Jersey Number Retired: October 29, 2016

Dikembe Mutombo was inducted into the Naismith Basketball Hall of Fame in September 2015 and will become the fifth player and sixth representative in team history to have his number enshrined in the rafters. He joins fellow Nuggets greats Byron Beck (#40), Alex English (#2), Dan Issel (#44), David Thompson (#33) and Doug Moe, who coached the team to a franchise-record 432 wins. This will mark the first time that the Nuggets have retired a player's number at Pepsi Center.

Drafted fourth overall by Denver in the 1991 NBA Draft, Mutombo played for the Nuggets from 1991 to 1996, compiling averages of 12.9 points, 12.3 rebounds and 3.81 blocks in 391 total games. As a member of the Nuggets, Mutombo was a three-time NBA All-Star ('92, '95 and '96), three-time NBA blocked shots leader ('93-94, '94-95, '95-96), named Defensive Player of the Year in '94-95 and was instrumental in helping the Nuggets become the first eighth-seeded team to defeat a number one seed in NBA Playoff history. Mutombo still remains the Nuggets all-time leader in blocked shots (1,486) and career rebounding average (12.3 per game) while ranking third in rebounds (4,811) and 19th in points (5,054).

In addition to his on-court accolades, Mutombo's humanitarian efforts shine even brighter. He created the Dikembe Mutombo Foundation in 1997, opened the Biamba Marie Mutombo Hospital in the Democratic Republic of Congo in 2007 and has been one of the leaders of the Basketball Without Borders program in Africa for over 15 years. Former NBA Commissioner David Stern appointed Mutombo to the role of Global Ambassador in 2009.

12 | Lafayette "Fat" Lever

Jersey Number Retired: December 2, 2017

Lever was a member of the Nuggets from 1984 through 1990. In 474 games spanning six seasons with Denver, he averaged 17.0 points, 7.6 rebounds, 7.5 assists and 2.46 steals per game. The Nuggets reached the postseason in all six of Lever's years while playing under Head Coach Doug Moe and his up-tempo system, including a trip to the Western Conference Finals in 1985.

Lever earned an All-Star spot in both the 1988 and 1990 seasons and was named to the All-NBA Second Team in 1986-87 and the All-Defensive Second Team in 1987-88. He is scattered throughout the Nuggets' all-time leaderboards, ranking 1st in steals (1,167), 2nd in assists (3,566), 7th in points (8,081), 7th in made field goals (3,304), 7th in minutes played (16,867) and 8th in rebounds (3,621).

The Pine Bluff, Arkansas native also earned the reputation as a prolific triple-double threat during his time in Denver. He registered 46 triple-doubles as a Nugget (including three in the playoffs), far and away the most in franchise history. He is currently one of only seven NBA players since 1983-84 to have registered a triple-double with steals and is the only Nugget in team history to ever do so. Lever led the NBA in triple-doubles (16) in 1986-87, tied for the most in the league (12) in 1987-88 and came in 3rd (10) in 1988-89. Over that three-year span, Lever ranked 2nd in the NBA in total triple-doubles with 38, trailing only Magic Johnson (43) and ahead of Michael Jordan (18).

COMMUNITY AND GENERAL INFORMATION

NUGGETS COMMUNITY OUTREACH

The Denver Nuggets are committed to improving the lives of families and children in Colorado through a comprehensive program of education, health and fitness, community initiatives and special events. Our players, coaches and staff are active participants in the community, dedicating over 1,000 hours of their time off the court to visiting schools, hosting youth basketball clinics, lifting the spirits of pediatric and military patients in the hospital and hosting fundraising events that benefit Kroenke Sports Charities.

COMMUNITY PROGRAMS

The Denver Nuggets are proud to support a number of youth programs that focus on education, health & fitness and teamwork. Every year, players and coaches can be found in the classroom using basketball principles to get students excited about school. The team is also committed to helping children with health and athletic programs by having the players and coaches share their knowledge about fitness and nutrition. The education, health & fitness and athletic programs of the Denver Nuggets include:

Denver Nuggets Math Hoops

Denver Nuggets Math Hoops is a fast paced basketball board game that allows students to learn fundamental math skills through direct engagement with real player statistics of their favorite NBA and WNBA players.

Nugget for a Day
